

NOTICE

NOTICE OF AVAILABILITY for Public Review of a MITIGATED NEGATIVE DECLARATION

Distribution Date: March 16, 2012

As authorized by the City of Santa Clara as a Lead Agency, the City hereby provides a **30-day public review period** and proposes to adopt a MITIGATED NEGATIVE DECLARATION pursuant to the California Environmental Quality Act (CEQA).

Project title: 800 Central Expressway Data Center
File: PLN2011-08895, CEQ2012-01135
Location: 800 Central Expressway, a 6.33 acre parcel located south of the intersection of Lafayette Street and Central Expressway. APN: 224-04-085 The property is zoned as MH-Heavy Industrial
Applicant/Owner: Amin Qazi, DGA/Digital Alfred, LLC
Mailing Address: 201 Fibert Street, 3rd Floor. San Francisco. CA 94133
Request: **Architectural Review** to allow the reuse of a vacant one-story 149,900 square foot industrial building into a data center.

INITIAL STUDY DETERMINATION

An Initial Study was completed by Circle Point and is **available for review in the project file in the Planning Division office in City Hall at 1500 Warburton Avenue, the Central Library at 2635 Homestead Road in the City of Santa Clara, and online at www.santaclaraca.gov/CEQA**. Based upon the Initial Study, insofar as the project involves reuse of an existing industrial building as a data center, the **project will not have a significant effect on the environment** because mitigation measures have been incorporated into/added to the project by conditions of approval that will reduce potential impacts to a less than significant level.

COMMENTS

Comments may be filed with the City in response to the preparation of this Mitigated Negative Declaration within the 30-day review period **beginning on March 20, 2012 and ending on April 18, 2012**, pursuant to Section 15073 of the CEQA Guidelines. Responses received in writing on or before the date of review or verbally at the time of the review of this project will be considered along with the proposed Mitigated Negative Declaration.
